SURVEILLANCE TECHNIQUES

4 - DAY BASIC SURVEILLANCE COURSE (32 HOURS)

FEBRUARY 1-4, 2027

MILPITAS, CA

POST #1361-22120

This 4-day course consists of surveillance fundamentals that will complement the practitioner's ability to conduct law enforcement observation activities. This course is designed to instill the foundational skills essential to conducting effective surveillance operations. The principle of working the street supersedes the classroom lectures and is invaluable; therefore, this 4-day training is comprised of approximately 10-hours of classroom and 22-hours of hands-on "street" training. All techniques will be executed with both vehicle and foot exercises. The end state of the participants will be enhanced knowledge base and experience conducting undercover surveillance operations as they develop and hone their skills.

- Fundamentals of surveillance
- Complexities of multi-mode surveillance
- Situational awareness in support of operational security
- Effective attire and demeanor
- Communications – technical & non-technical, including reporting
- Basic surveillance methods utilized, "environment dependent"
- Team Standard Operating Procedures (SOP) development
- Command & Control (C2) of surveillance teams

$980 PER OFFICER/DEPUTY FOR THE 4-DAY COURSE

*PROCESSING FEES APPLY IF PAYING VIA CREDIT CARD
